Product specifications

Product	M-391Pro	M-480Pro	M-590Pro
Pixel Pitch (mm)	3.91	4.81	5.95
Brightness (Nit)	800	4500	4500
Dimension (mm)	500 × 1000	500 × 1000	500 × 1000
Refresh Rate (Hz)	≥ 1920	≥ 1920	≥ 1920
Color Depth (Bit)	16	16	16
IP Grade	IP40/IP21	IP65/IP54	IP65/IP54
Ave.Power Consumption (W/m ²)	160	215	215
Weight (Kg)	12	13	13

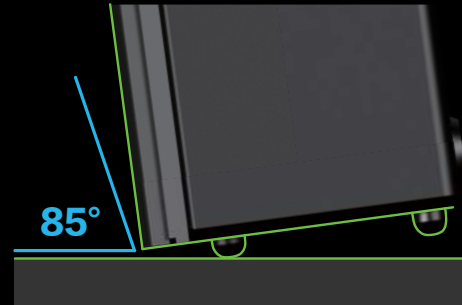

Intelligence

Intelligent module with memory storage function, Automatic color correction.

Safety

The box has Anti-knock design, effective protection module in damaged.

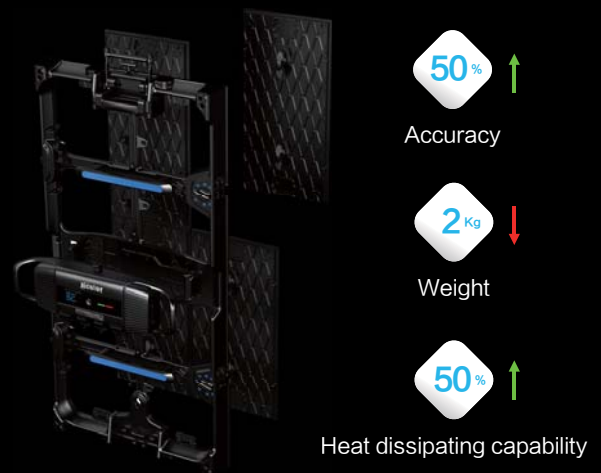

Staylist

Original creation new pattern of high-accuracy curve lock, just two steps, realize curve pattern and linear pattern perfection splitting.

Aviation class

Magnesium alloy material, Modular Design.

Shortcut

Indoor products all are front maintenance, efficiency increased 5 time; innovative practical fast lock.

Module front service

Control box front service

Single person installation

M-Pro

Intelligent Stage Rental LED Display
